Section 4. (1) A Certified Alcohol and Drug Counselor or Licensed Clinical Alcohol and Drug Counselor who has been approved by the board as a supervisor shall attend a board approved training session in supervisory practices within twelve (12) months of obtaining approval as a supervisor.

Note: The Kentucky Board of Alcohol and Drug Counselors will be holding Board-approved training sessions in supervisory practices over the next year at no cost to attendees. Board-Approved Supervisors **must** attend one of these Board approved sessions within 12 months of obtaining approval as a supervisor to meet this requirement – other supervisory training certificates will not be accepted. If you are planning to become a Board-Approved Supervisor in the future, you may attend this training before receiving approval. The “Request to Provide Supervision” application must also be submitted to the Board for approval to become a Board-Approved Supervisor. Future training sessions will be posted on the Board’s website as soon as dates and locations are confirmed. Please check the Board’s website regularly for upcoming trainings.

If you attended the October 29th, 2015, January 28th, 2016, March 25th, 2016, April 22nd, 2016, or July 8, 2016 session, you have already met this initial supervisory training requirement and do not need to attend.
