The Office of State Budget Director is preparing the Governor’s Recommended Budget and that Recommended Budget will be presented by Governor Beshear on January 21, 2014. Old Business
The board discussed their options for who could speak on behalf of their Continuing Education at the Kentucky School in July. Mr. Wilson will get with Ms. Scharff to see who is scheduled to speak at this time. The Board will discuss further in their February meeting. There was also discussion on whether or not to keep the award for Alcohol and Drug Counselor of the Year. Some members felt there was little interest in nominating Counselors for the award and getting the word out for nominations was difficult. Other members felt it just needed a little more marketing. Ms. Hascal offered to work on some new marketing for nominations and the Board will continue with the award for 2014.

New Business
The Board was asked to hold their annual elections. Mr. Trumbore was nominated for Chair and declined. Mr. Wilson was then nominated for Chairman as well as Mr. Whelan. Mr. Whelan politely declined his nomination and made a motion for Mr. Wilson to serve as the new Chairman in 2014. Ms. Fogle seconded that motion and it carried. Ms. Fogle made a motion to keep Mr. Trumbore as the Vice-Chairman. Mr. Hemphill seconded that motion and it carried. Ms. Fogle made a motion to close the nomination and voting process. Mr. Godlaski seconded that motion and it carried.
Mr. Godlaski informed the Board he will be presenting a letter for the Board to review in their February meeting for all Alcohol and Drug Counselors regarding Degree Mills.

Mr. Trumbore discussed the IC&RC Strategic Planning Process and how they plan to move forward in the future. Several members were able to sit in during the conference call held in December regarding the issue and hope to stay up to date. Mr. Trumbore will keep everyone informed of the process.
