Minutes
Ms. Hascal made a motion to accept the February 3, 2017 minutes as amended. Mr. Godlaski seconded the motion. Motion carried unanimously.

Financial Statement
- The board reviewed the February 2017 financial report.

Department of Professional Licensing Update
- Ms. Vick discussed the annual supervision reports with the Board. Quite soon, the supervisees will receive an email notices to upload their annual supervision documents via their online eServices account for Board review and approval. The supervisees will need to upload the “Supervision Annual Report” along with their logs showing their supervision hours, as signed by their supervisor(s) of record for the reporting time period.

- The licensure status report was reviewed by the board.

Old Business
- The next board training for supervisors is March 17, 2017 at the Clarion Hotel North in Lexington, Kentucky. Mr. Godlaski has everything needed to conduct the training and there are close to 90 attendees registered.

- The 2017 Kentucky School date is confirmed for Wednesday, July 26th, 2017 at 6:00pm for the Board’s presentation. As it gets closer to the event, the Division of Behavioral Health will advise about the snack refreshments that were offered last year. The Board will request to have representatives from Medicaid to give a presentation during the meeting as they did last year.

- Ms. Kelley’s travel request to represent the Kentucky board as a delegate for the IC&RC Spring Conference in Sacramento, CA was denied by Secretary Dickerson due to an executive order that was issued in September. Mr. Wilson made a motion to send an inquiry to Secretary Dickerson about the denial of Ms. Kelley’s travel request, under KRS 224.120 and KRS 224.052-053 regarding statutory authority. Ms. Hascal seconded the motion and it was carried.

New Business
- The Board discussed questions received via e-mail. Ms. Walls to respond to inquiries as discussed.

- The Board received a letter from Pinnacle Treatment Centers in regards to supervisees having several on-site board-approved supervisors and the regulatory limit of 12 supervisees per supervisor. The Board does not have the authority to approve institutional supervision, nor does the Board have the authority to allow more than 12 supervisees per supervisor at any one time. Additionally, there is not a “primary”, “secondary”, and “tertiary” supervisor designation from the
Board’s perspective. Each board-approved supervisor of record must agree to provide the minimum amount of supervision to each board-approved supervisee (at least 2 hours every 2 weeks) whether or not they are considering themselves as the “primary” supervisor.

- Guest speakers Ann Hollen and Robert Long, from Department of Medicaid Services, presented an update to the Board regarding billing for LCADCs and Registered Alcohol and Drug Peer Support Specialists. A state plan amendment has been approved by CMS and regulations are now implemented for LCADCS to enroll as an individual Medicaid provider for every setting except BHSO’s – which is next on their list and will try to expedite. The Board suggested they try to consider doing an emergency regulation in this regard to help combat Kentucky’s heroine epidemic.

Ms. Hollen will check to see if LCADCs can be billing supervisors.

Ms. Hollen and Mr. Long explained the enrollment process and gave some tips and suggestions.

LCADCA’s are also able to enroll. For CADC’s – nothing has changed.

Registered (not temporary) Alcohol and Drug Peer Support Specialists have indeed been added as well under the state plan amendment 907 KAR 15:010 (4). They can bill under a supervisor.
