Note: The Kentucky Board of Alcohol and Drug Counselors will be holding Board-approved training sessions in supervisory practices approximately 2-3 times a year at no cost to attendees. Board-approved supervisors **must** attend one of these Board-approved sessions to meet the requirements under 201 KAR 35:070 – other supervisory training certificates will not be accepted. If you are planning to become a Board-approved supervisor in the future, you may attend this training before receiving approval. The “Request to Provide Supervision” application found at adc.ky.gov must also be submitted to the Board for approval to become a Board-approved supervisor. Future training sessions will be posted on the Board’s website as soon as dates and locations are confirmed. Please check the Board’s website regularly for upcoming trainings.
