(5) Provide an analysis of how the entities identified in question (4) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (4) will have to take to comply with this administrative regulation or amendment: The credential holder will have to comply with the complaint procedure set forth in the regulation and request a hearing should the credential holder choose to appeal a disciplinary action taken by the board against them.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (4): The board is unable to determine the additional costs for complying with this regulation since it would be the cost of litigation should a credential holder choose to appeal a disciplinary action and obtain private counsel.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (4): Credential holders will now have a clearer understanding of the complaints procedure followed by the board.

(6) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: No new costs will be incurred by the changes.

(b) On a continuing basis: No new costs will be incurred by the changes.

(7) What is the source of funding to be used for the implementation and enforcement of this administrative regulation: The board's operations are funded by fees paid by credential holders and applicants.

(8) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: There are no increases in fees or funding required to implement this administrative regulation.

(9) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: There are no fees or fee increases associated with the administrative regulation.

(10) TIERING: Is tiering applied? (Explain why or why not): Tiering was not applied as the regulation is applicable to all credential holders. This regulation does not distinguish between similarly situated individuals on the basis of any factor.
